Dear Pastor Gunter,

Greetings in the name of Jesus! I trust you are having a great summer, blessed by the wonderful hand of God. I wanted to write you to personally thank you for the generous offering you gave to help us buy a new van for our Teen Mother Cottage. Because of you and other Churches in Western North Carolina we were able to purchase a brand new mid top Ford Transit 15 passenger van. The girls love it and the house parents are ecstatic. Your love and generosity will help make their lives a little better. God bless you and thank you. Please convey my appreciation to your congregation.

Sincerely,

Kenneth M. Hudson
